

STICK END FITTING ADAPTERS

The end fitting adapters allow all the different devices to be connected to existing stick end fittings.

The flexible adapters (AFLEX) are connection systems that provide a flexible link. Thus they protect devices from handling shocks.

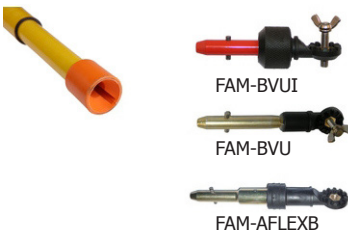

FAM-32715V

FAM-AFLEXAPV

FAM-32738

Ref.	Description
FAM-32715V	Adapter APV - U
FAM-AFLEXAPV	Adapter APV - U flexible
FAM-32738	Adapter M10 - U compatible APV 3

FAM-BVUI

FAM-BVU

FAM-AFLEB

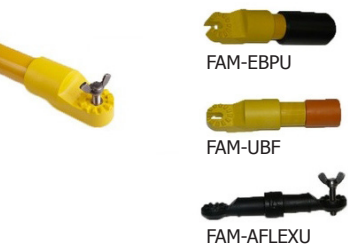

FAM-AFLEXB

Ref.	Description
FAM-BVUI	Adapter B - U with bayonet lock
FAM-BVU	Adapter B - U
FAM-AFLEB	Adapter B - U flexible

FAM-ADK

Ref.	Description
FAM-ADK	Adapter M10 thread for anchor socket

FAM-EBPU

FAM-UBF

FAM-AFLEXU

Ref.	Description
FAM-UEAF2	Adapter U - EAF
FAM-EBPU	Adapter U - BP Female Polish bayonet
FAM-UBF	Adapter U - Female DIN bayonet
FAM-UFAPV2	Adapter U - APV
FAM-AFLEXU	Adapter U - U flexible

FAM-32732

FAM-AFLEXEAM

Ref.	Description
FAM-32732	Adapter EAF - U
FAM-AFLEXEAM	Adapter EAF - U flexible

FAM-327PLU

Ref.	Description
FAM-327PLU	Adapter BP Polish bayonet - U
